

City of Gainesville Construction Codes

As of January 1, 2015 the construction codes for the state of Georgia and the City of Gainesville will change. Projects submitted for review or permitting after January 1, 2015 will be reviewed and inspected using the following codes.

The 2012 edition of the following codes will be used:

International Building code, International Residential code
International Plumbing code, International Mechanical code
International Fire code, International fuel Gas code
International Pool and Spa code, NFPA 101 Life Safety code

The International Energy Conservation code will remain the 2009 edition

****** The above codes have Georgia amendments which can be found
at the Georgia Department of Community Affairs web site listed below******

<http://www.dca.state.ga.us/index.asp>

The National Electrical Code will change to the 2014 edition

Code books may be purchased from one of the following sources:
