Where we are going . . .

Main Street Gainesville wants to create the best community. We do not strive to be like any other town, but to lead and have other towns yearn to be like us. We want more business, more arts, great events, more people to support our cause and anything else that will make Gainesville the very best!

How we get there . . .

Main Street Gainesville provides programs that benefit Gainesville through the support of the City of Gainesville, and investment by community members like you. Call us to find out how to become a member!
