

ROCK CREEK GREENWAY CONNECTOR January 2010

Project Description:	This project involves the Gainesville Parks & Recreation Agency, Georgia Department of Transportation, Friends of the Park and the Community. The construction will provide an 8' trailway from Ivey Terrace Park to Rock Creek Park. Amenities will include a pedestrian seating area/outdoor classroom, landscaping and furniture.
Contract Amount:	\$196,398.90
Contract Duration:	180 consecutive calendar days
Notice to proceed:	February 23, 2009
Project Completion:	October 16, 2009
Contractor:	Tri-Scapes, Inc.
Engineer:	Jordan, Jones and Goulding, Inc.
Project Manager:	Barclay Fouts, COG, phone # 770-533-5886 or 678-283-0111
Project Status	This project has been completed and is in the close out phase.
Community Concerns:	The City of Gainesville Parks and Recreation Agency and the Friends of the Park are engaged in the development of the Rock Creek Greenway Project. This contract will complete a multi-purpose trail from Wilshire Trail Park to downtown Gainesville. Great care is being exercised in the Greenway project to protect and preserve the natural habitat and historical sites along the path.
