

SR 347 – FRIENDSHIP/THOMPSON MILL ROAD UTILITIES RELOCATION
January 2010

- Project Description:** This project will relocate, upgrade, and extend City of Gainesville water lines and appurtenances along the proposed SR 347 widening project between SR 211 (Old Winder Highway) and McEver Road. This project is funded through the Public Utilities Capital Projects Fund. The project includes installation of 12”, 8”, and 6” ductile iron pipe water mains and all necessary appurtenances and service changeovers.
- Original Contract Amount:** \$ TBD
- Change Orders:** \$ TBD
- Adjusted Contract Amount:** \$ TBD
- Contract Duration:** TBD
- Notice to Proceed:** TBD – GDOT construction scheduled to begin Fall 2011
- Contracted Completion:** TBD
- Contractor:** TBD
- Engineer:** City of Gainesville
- Project Manager:** Matt Tarver, COG, phone # 770-538-4977 or 770-503-6729
- Project Status:** The City of Gainesville is awaiting preliminary construction plans from GADOT to begin design work. This project will be designed by Public Utilities staff.
- Community Concerns:** This project will improve and expand the City of Gainesville’s water service capacity in this area to better serve both existing and future customers. Due to the heavy traffic in this area every effort will be taken to limit any impacts from the installation of these utilities.
