STAFF PRESENT: Jordan

Representatives from Hall County government were in attendance along with representatives from the municipalities of Braselton and Clermont.

Srikanth Yamala called the meeting to order and made several introductions.

Representatives from Pond & Company discussed the following topics:

- The role of the Metropolitan Transportation Plan (MTP)
- Why update the 2040 MTP
- Factors Affecting Transportation Needs
- Funding Improvements
- Planning Tasks and Schedule
- What is important to you

The presentation referenced the opportunity to complete a survey posted on [www.ghmpo.org](http://www.ghmpo.org).

Attendees were asked to form groups. Each group gathered around a map. A facilitator presented the following questions:

1. Where are the key problems?
2. Where do you need better connectors?
3. How do you want to get around?

**ADJOURNMENT: 6:30 PM**
