I. Welcome

Welcome:

Participation in athletics plays a very valuable role in the development of children. Aspects of teamwork, dedication, discipline, physical fitness, self-esteem, and fair play all contribute to the overall growth and maturation of young people. Gainesville Parks and Recreation takes this responsibility seriously and strives to offer quality programs which will aid in this development.

We feel open dialogue and communication with parents, coaches, and participants make for a better operated program. Our professional staff members working with your child are Certified Youth Sports Administrators and are National Youth Sports Coaches Association Clinicians who have been certified to train and supervise our volunteer coaches.

Our volunteer coaches have gone through an application process that includes reference checks, criminal background checks, and are required to complete the USA Football Level 1 Tackle and Darkness to Light trainings.

Sometimes, we as professional administrators, volunteer coaches, and parents often forget why we do what we do. It is not to satisfy our individual egos, but to provide a positive, healthy experience that teaches the importance of teamwork, cooperation, skill development, ethics, abiding by the rules, winning and losing with grace, coping with success and failure, respecting authority figures, and always striving to do your best.

This about all else, at this level, is what we should be about and it must be a cooperative effort between our professional youth sports administrators, our volunteer coaches, our officials, and our parents.

We believe that working together, through training and education we can raise the standards for youth sports, and we can return to the age-old notion that children’s participation in organized sports should be FUN!

This handbook is presented to serve as a reference for you, as a parent or volunteer coach, so you may better understand the philosophies of the Agency regarding youth athletics and do your part in making this program a success.

Sincerely,

J. Melvin Cooper

B. The Value of Sports

Sports are one of the greatest tools that exist in today’s society to help children develop positive character traits and life values. Early adolescence is a time when children are looking for basic values that they can count on in their lives. Under the right conditions, many youth sports experiences can be enormously beneficial, teaching the importance of teamwork, cooperation, and hard work, among many other qualities. In spite of this enormous potential for good, many youth sports experiences, in which the focus on what’s truly best for children strays, can be emotionally damaging and that damage can last a lifetime.

During the years in which most children are typically involved in organized sports they are learning about themselves psychologically, physically, emotionally, and socially. During this juncture their personalities are being molded, their bodies are going through all sorts of changes, and their minds are forming lasting impressions on the importance of sports in their lives. It is at this level that parents, coaches and administrators play the greatest role in making the sports experience positive, healthy, and safe. Clearly, the results of a child’s experiences during these years are crucial, especially when we consider the positive role sports can play in their overall development.

Children learn a multitude of important lessons through sports that are basic to leading productive adult lives in our society. Sports provide an ideal forum to teach such valuable fundamentals as ethics, abiding by the rules, winning and losing with grace, coping with success and failure, respecting authority figures, always striving to do your best, etc. These traits provide the building blocks that help young citizens of our communities become well-balanced adults, and which translate into leading productive lives.

A study conducted by Hardiness Research of Wyoming found that by a 2:1 ratio for boys and a 3:1 ratio for girls, those who participate in sports perform better in school, do not drop out, and have a better chance to get through college.

The foundation for human development occurs during the early years of life. Individuals are exposed to many different learning situations that contribute to their potential for successful development in future endeavors. Activities at home, church, schools and clubs, to name just a few, all play a big role in a child’s growth and development. Organized sports are certainly at, or near the top, of that list.

Regardless of which sports they choose to pursue, children will reap the positive benefits since regular physical activity is the basis for a healthy and active lifestyle.
IV. Policies & Procedures

A. Registration

*Am I a resident?* - A resident is any person who lives within the City Limits of Gainesville. This is not to be confused with school attendance. City and School District boundaries are not the same. Even though your mailing address is Gainesville, this does not necessarily mean you are a City Resident. Most programs/classes have different fees for residents and non-residents. Non-residents must pay an additional surcharge established by the Parks & Recreation Board. (Participants in many of our programs live outside the City of Gainesville, and the cost of supplying these programs comes exclusively from city taxpayers, fairness requires that non-city residents share the burden of expense). Gainesville Parks and Recreation reserves the right to remove anyone falsifying information from our programs. Please call our office at 770-531-2680 if you have any questions regarding residency.

*Residency Verification* - Gainesville Parks and Recreation requires residency verification for first time registrants that have relocated to the City. (Driver's License or Utility Bill). If currently registered, this procedure will not be necessary. A copy of the participant’s birth certificate is required.

*Recreation Scholarship Fund* - Financial assistance for children under the age of 18 is available to City residents through the Children At Play Fund on a first come first serve basis for all programs.

*Refund Policy* - A 100% refund will be given for activities cancelled by Gainesville Parks and Recreation. Refund requests made prior to the program will be granted without explanation.

*What if the program is full or you have missed the registration deadline?* You are encouraged to register early for all programs! Participants for all programs are on a first come, first serve basis. Please check registration information on each individual program. For baseball, softball, football & cheerleading your name may be placed on a waiting list and if an opening comes available you will be charged an extra $15.00 late fee and added to a team again on a first come, first serve basis.

*Registration Payment* - Parents and guardians are responsible for providing registration payment for their own participants. Volunteer Coaches are NOT allowed to provide payment for a participant in the league that is not their own child, or a family member, unless prior approval is in writing from the volunteer coach to GPRA. The parent/guardian is still responsible for the registration process in providing GPRA documentation for the child. Parents should not expect their team’s coach to pay or assist with their registration fees.
B. Parent Orientation Meeting

Gainesville Parks & Recreation requires that all teams conduct a “mandatory parent meeting” during the first week of practice. In order for your child to play in the league, it is mandatory that one of the parents/guardians attend. Important information such as policy and procedures, safety and first aid, medical alerts, expectations, responsibilities and team rules will be discussed in detail. This meeting is held in order to lay the foundation for open communication among coaches, parents and participants. Don’t forget your handbook! See appendix 5 for meeting highlights.

C. Medical Information

Please notify the Parks and Recreation Office if your child has a pre-existing medical condition (i.e. previous surgeries, allergies, medications, physical impairments, etc.) on the registration form. Also, notify the coach at the mandatory team meeting. This is essential in order to determine the severity of an accident and to assist medical personnel who respond to the scene.

- 911 will be called immediately
- Parent/Guardian will be contacted
- Based on the professional decision of the Emergency Response unit, the participant may be transported to the closest medical facility for immediate care.

If medical transportation is required, the charges incurred will be billed to the parents/guardians and/or parent’s guardians’ insurance policy. It is prohibited to transport a participant in a personal vehicle. A doctor’s Release Form must be submitted to GPRA before a player/participant may resume play.

All minor injuries will be treated by the league coordinator or coach. Any major or life threatening injury or accident that may occur on the playing field or at the facility, during scheduled game/practice times will be handled using the procedures listed above.

D. Uniforms/Equipment

A portion of the registration fee for a particular program may be used to supply the team with uniforms. If a refund is granted for dropping a program, he or she may be required to return the uniform or have a portion of the refund retained for the cost of the uniform. Uniforms are expected to be worn in the condition that they are given out. DO NOT USE BLEACH or other harsh abrasives to clean uniforms/equipment. Unauthorized alterations to the uniform (i.e. cutting the sleeves off, helmet decals, scuffing caps, patches, etc.) will require the parent/guardian to pay for a replacement uniform. All teams must wear the uniform provided by Gainesville Parks & Recreation. No additional uniforms should be purchased for any team, and will not be allowed to be worn during Gainesville Parks and Recreation competitions. If you have any additional questions, please speak with the youth athletics’ administrators.
E. Weather

The safety of the participants, officials, and spectators is the primary concern in cases of inclement weather (rain, snow, ice, smoke, hot or cold temperatures). Once a game has started, the league coordinator and/or officials will have the responsibility to remove the players from the field if the conditions become extreme. If ordered to do so, please find a safe shelter until instructed to return to the playing field or told that the game has been cancelled. The storm will be considered over 30 minutes after the last sighting of lightning. Light rain showers, without thunder and lightning, will not justify delaying or cancelling a game.

Policy/Guidelines for Extremely Low Temperatures

The Individual participant or parent of the participant **MUST** make the ultimate decision as to whether or not to attend a scheduled athletic activity. GPRA will use a temperature/wind chill threshold of 32°F, as a limit. Anytime, that the temperature/wind chill is forecasted to be below 32°F for an extended period of time during outdoor scheduled activity, GPRA will cancel the activity.

A. GPRA Athletic Staff, or designee, will make the final decision as to whether outdoor practices/games will be conducted. The health, safety, and welfare of the participants WILL be the determining factors. However, the Individual participant or Parent of the participant **MUST** make the ultimate decision as to whether or not to attend a scheduled athletic activity.

B. The wind chill factor will be used to determine the severity of the cold temperature, NOT just the temperature alone.

C. Participants should warm-up and stretch properly immediately before the competition or practice.

D. Clothing should be selected for comfort. Do not overdress. Multiple layers provide good insulation.

E. Properly cover the head, neck, legs, and hands. Much of your body heat is lost through these areas.

F. Extreme cold blocks some sensations of pain. Thus, frostbite can easily affect the fingers, toes, ears, and facial areas. Check these areas regularly.

G. Hypothermia is dangerous. Add extra clothing and move to a warm environment immediately after game or practice. Drink warm fluids if possible. Hypothermia has occurred in air temperatures of 50°F-65°F.

H. Early signs and symptoms of hypothermia include shivering, euphoria, confusion, and behavior similar to intoxication. Severe signs include lethargy, muscular weakness, disorientation, depression, hallucinations, and even combative behavior.

F. Cancellations

Program cancellations due to inclement weather will be updated on our Hotline at 770-297-5453 and our website at www.gainesville.org/recreation. A decision regarding evening programs will be made at 4:00 PM. If a game is cancelled due to weather or other unforeseeable circumstances, all efforts will be made to reschedule that game. However, due to time restraints and/or field usage conflicts, some games may not be made up. It will be the decision of Gainesville Parks and Recreation when and if the games are made up. Special circumstances may be taken into consideration. GPRA will always make the best decisions for the safety of all participants.

(Exception) Siblings in the Major and Minor League Baseball could possibly be split due to the evaluation process. All combinations of siblings and same household participants will be taken in the normal rounds of the draft.

The recreation department will tally all total scores for each participant and have a final copy of evaluation numbers to hand out to head coaches ONLY at the beginning of the draft process. Only recreation employees and head coaches will see the final numbers.

11. The number of teams will be determined by the number of participants that are registered.

12. NO TRADES will be allowed during or after the draft!

T. Junior Baseball Rules

Please refer to www.dizzydeanbaseball.org and www.hallcountysports.com for league rules and modifications. Players will be allowed to keep their uniforms issued to them.

U. 7 & 8 Softball Rules

This program is to teach the boys and girls the rules of softball, how to play defense and how to successfully bat the ball. Emphasis will be on learning how to play the game and learning fundamentals. Players will be allowed to keep their uniforms issued to them.

1. Playing Field: Base distance is 60 feet. Pitching distance shall be 40 feet.

2. Batter: Each batter shall receive three (3) swinging strikes or five (5) pitches, whichever comes first. A foul ball on the fifth pitch shall not count as a pitch. Bunting is not allowed; penalty is a strike. If the batter slings his/her bat, the first infraction should be a warning. The second time the bat is slung, the batter will be called out. If the batter is throwing the bat while swinging, this is not safe and coaches need to take the time to teach proper swing technique for safety.

3. Batting Order: All players present at game time must be placed on the lineup sheet in the batting order. The intention is for every player in the batting lineup to bat regardless of whether they are playing defense or not. Everyone will not necessarily bat each inning, but will be in the lineup to bat when their turn at bat approaches. The batting lineup should not change. An inning will end after: Three outs have been made by the defense, OR the five (5) run rule limit has been reached. WARNING – coaches who skip a player without just cause will be brought before the Disciplinary Committee.

4. Pitcher: An offensive coach will pitch to his/her batters. The coach pitcher may not speak to the batter. The youth pitcher may not move or advance forward toward the batter until the ball has been hit. Each batter will be thrown a maximum of 5 pitches. The pitches must be thrown in an “underhand” motion. The batters will be allowed a maximum of five pitches unless pitch five is fouled. A batter is out after three strikes or five pitches. Anytime the batter misses on three pitches, he/she is out. If the batter fouls off the fifth pitch, he is allowed another pitch until he hits, swings and misses or does not attempt a swing. The adult pitcher must pitch underhand.

5. Dead Ball Areas: Play shall be called dead when:
   - All advancement of runners is, in the judgment of the umpire, halted.
   - The ball is thrown outside the fence, play becomes dead and each runner is entitled to one extra base.
   - If a batted ball hits the adult pitcher, it is considered a dead ball and no pitch.

6. Base Runners:
   - Stealing is not permitted.
   - Runners must stay in contact with the base until the pitch reaches home plate.
   - Penalty for leaving early is an out.
7. There is no appeal in this league. Any runner who misses a base or leaves a base early when tagging up on a fly ball will be called out by the umpire when play stops.

8. Run and Time Limit: The offensive team may score a maximum of five (5) runs per inning. There will be no extra innings; a game that ends in a tie remains a tie. Time limit is 1:10 minutes.

9. Game: A complete game shall be six (6) innings if time permits. Official time is kept by the Score keeper and the Umpire In Chief.

10. Defense: Teams will place 10 players on defense, using 4 outfielders and have free defensive substitution. A missing in-fielder is not allowed. All standard infielders must play even or behind the base paths except pitcher and catcher. Outfielders must play 15 feet behind infielder. After ball has been hit and play begins, defensive players must not be allowed in the base paths. The catcher will wear full catcher’s gear.

11. Equipment: The softball will be an 11” .47 core yellow optic ball. Helmets must have face mask and chin strap. See Dizzy Dean regulations for bats. No metal cleats are allowed.

12. Starting and Ending Games: Team may have nine (9) players to begin a game and must end with eight (8). An out will be charged in the spot of the lineup for the missing players.

13. Infield Fly Rule: Does not apply to this division.

14. On – Field Coaches: There shall be a limit of four (4) coaches per team allowed on the playing field/dugout area during a game. The offensive team will have one (1) coach in the first base box, one (1) coach in the third base box and one (1) coach pitching. The defensive team may not have coaches on the field of play.

15. Other: All players present at game time and who are eligible to play will be placed in the batting order. Free defensive substitution is allowed. The umpire, based on his/her judgment, shall call out any runner who misses a base or leaves a base early when play becomes dead. A request may be made to confer with the umpire but that is completely at their discretion.

1. Time Limit: A regulation game will be six (6) innings. Time limit is 1:25 minutes. Extra innings are allowed provided there is still time remaining. Also, at no time will a runner be allowed to steal home – even on a wild pitch. Runners may only steal after the ball crosses home plate (unlike the 12U Division which is after the release – **DO NOT get this confused**).

8. **Regulations**: A team will use four (4) outfielders. Bunting is permitted. Courtesy runners are allowed for pitcher and catcher provided they are not already in the game. A legal pitch must begin with both feet on the rubber. The first step must be forward, toward the catcher. The pitch must be thrown underhanded. A double base at first is mandatory. Facemasks on helmets are mandatory. Dropped third strike rule is not in effect. Batter is out on strike three whether catcher holds the ball or not.

V. Coaches

A. Responsibilities and Expectations:

1. A coach should be enthusiastic without being intimidating. He or she should be sensitive to the children’s feelings and genuinely enjoy spending time with them. He or she should be dedicated to serving children and understand that youth sports provides physical and emotional growth for participants. Remember, youth sports are for the children.

2. A coach needs to realize that he or she is a teacher, not a drill sergeant. He or she should help children learn and work to improve their skills. Personal gains are never a consideration. The job does not depend on winning. The best interest of the child transforms into the best interests of the game.

3. The safety and welfare of the children can never be compromised. A coach will consider these factors above all others.

4. A coach needs a tremendous amount of patience. Don’t push children beyond limits in regards to practice. Children have many daily pressures and the youth sports experience should not be one of them. Playing sports is meant to be fun.

5. A coach should care more about the players as people than as athletes. The youth sports program is a means to an end, not an end to itself.

6. A coach should encourage his players to dream and set lofty goals. It is important to remain positive and refrain from discouraging remarks. Negative comments are remembered far more often than positive affirmations.

7. A coach needs to remember that the rules of the game are designed to protect the participants, as well as to set a standard for competition. He or she should never
circumvent or take advantage of the rules by teaching deliberate misconduct. A coach who puts his or her opponents’ team at risk should not be involved with children.

8. A coach should be the first person to demonstrate good sportsmanship. He or she should take a low profile during the game and allow the kids to be the center of attention.

9. Parents and players place a lot of trust and confidence in the coach. The coach has an important role in molding the athletic experience of the child.

10. A coach can measure success by the respect he or she gets from the players, regardless of victories or defeats. Children who mature socially and physically while participating in sports are the best indication of good coaching.

11. A coach must always be early, be prepared and make it fun! It is your leadership as a coach that children will remember over the games themselves.

12. All coaches will be required to wear Gainesville Parks and Recreation photo I.D.’s at all practices and games.

B. **Section 11:9 – Risk/Safety Management/Child Abuse**

D. Enforcement of the Code Of Conduct

Gainesville Parks and Recreation is dedicated to raising the Standard of service to youth in sports through the enforcement of this Code of Conduct among its membership. This Code of Conduct defines the expectations for adults serving as coaches in youth sports and provides the tools to be used by GPRA and the City of Gainesville, when necessary, to check behavior and to respond with resolve to protect all children from the psychological, emotional, physical or social abuses that can be perpetrated against them by youth sport coaches.

GPRA firmly believes that for the sports experience to be positive, safe and a learning experience for youth, volunteer coaches must be trained and held accountable for their behavior when working with and around children. Every coach is required to sign and adhere to a Coaches’ Code of Ethics Pledge. The Code of Conduct has been developed to help explain how each of the “canons” of the Code of Ethics should be manifested in the actions and behaviors of an GPRA volunteer coach.

It is the duty of Gainesville Parks & Recreation to respond to complaints lodged against a volunteer coach that has allegedly violated the Code of Ethics. This is accomplished by initiating the “Complaint against a Coach Procedure.” The purpose of this procedure is to hear the complaints and to determine what, if any, action should be taken towards correcting the member coach’s behavior. In order to provide the City the flexibility to take appropriate action when a GPRA volunteer coach is found to have violated the Coaches’ Code of Ethics, a range of possible actions has been developed to accompany the Code of Conduct.

1. Possible actions include:
   a. Warning to and/or Apology from the coach
   b. Probation
   c. One Game Suspension
   d. Multiple Game Suspension
   e. Season Suspension
   f. Permanent Revocation of Certification

When reviewing a complaint and deciding what action is the most appropriate in a given situation, the administrators must take into consideration various extenuating circumstances.

2. Factors that might suggest a more lenient sanction include:
   a. First Offense
   b. Remorse
   c. Apparent Desire to Reform
   d. Other Good Coaching Attributes
   e. Dedication to Youth Sports
3. **Factors that might suggest a harsher sanction include:**
   a. Child Endangerment
   b. Violation of Law
   c. Prior Complaints/Review Action
   d. Lack of Remorse
   e. Number of Ethics Canons Violated
   f. Number of Expected Behaviors Violated
   g. Breach of Duties as a Role Model
   h. Extraordinarily Poor Judgment Around Children

**E. Complaint against a Coach Procedures**

When Gainesville Parks & Recreation receives a complaint about a member coach, the Agency will:

1. Gather information and eyewitness accounts of the event(s) that took place from everyone involved to determine if a violation of the letter or intent of the Coaches’ Code of Ethics Pledge has occurred. This may include the site supervisor, game officials, and other coaches, parents and children.

2. Require the member coach to attend a meeting to address the complaint and to offer his/her side of the incident.

3. The Youth Athletic Administrators under supervision of the Recreation Division Manager have the authority to determine the severity of the situation and whether or not the affected coach has violated the expected behaviors outlined under each of the canons of the Code of Ethics Pledge that comprise the Code of Conduct.

4. The Youth Athletic Administrators, after approval from the Recreation Division Manager, have the authority to enforce the appropriate range of disciplinary actions outlined in the Coaches’ Code of Conduct.

5. If the member coach appeals the decision made by the Youth Athletic Administrators, a local review committee will be organized. It shall consist of three to five impartial, uninvolved individuals who understand the spirit and intent of the Coaches’ Code of Ethics Pledge. Suggested committee members may include member(s) of the recreation advisory board, league administrators, coaches or chapter directors from another league or community that understand the Code of Ethics Pledge. Again, impartiality is essential when selecting the review committee.

**What is the formal appeal process?**

The coach has two (2) business days from the delivery of the decision to make such an appeal. He or she will be notified that there is a formal appeal process. If an appeal does occur, it must be done in writing to the Youth Athletic Administrators and the Recreation Division Manager.
F. **Coaches Ejected from a Game by an Administrator, Official or Umpire**

When a coach is ejected from a game, they shall leave the field and park immediately and take no further part in that game. Any coach ejected from a game is automatically suspended for their next physically played game and may not be in attendance at the game site from which they are suspended. If any further altercations/arguments are made prior to leaving the premises, a multiple game suspension or expulsion is possible. There is no appeal process following an ejection.

G. **Philosophy of Youth Sports**

**Standard #11 – Drug, Tobacco & Alcohol-Free Adults**

VI. Participants

A. Responsibilities and Expectations

Participation in youth sports programs can have a lasting and meaningful effect on children’s lives. Therefore, it is the goal of Gainesville Parks and Recreation to provide the highest quality of athletic programs to ensure that a child’s experience with sports is a positive one. It takes the cooperation of everyone involved, including the participant, to make this happen.

Therefore, the City has established the following responsibilities for participants to adhere to:

- Players will listen to their coaches and be respectful of their elders.
- Players will take care of the facilities, equipment, and uniforms, which they are given.
- Players will make sure to eat the right foods and drink plenty of water before and after practices and games.
- Players will avoid all types of taunting and belittling remarks to their teammates or opponents.
- Players will show good sportsmanship at all times, win or lose.
- Players will not make sports a priority over schoolwork or family.
- Players will refrain from horseplay and all other dangerous activities, in which they may become hurt.
- Players will participate for the love of the game and competition and not to win at all costs.

B. Players Code of Ethics

I hereby pledge to be positive about my youth sports experience and accept responsibility for my participation by following this Players’ Code of Ethics Pledge:

- I will encourage good sportsmanship from fellow players, coaches, officials and parents at every game and practice by demonstrating good sportsmanship.
- I will attend every practice and game that I can, and will notify my coach if I cannot.
- I will expect to receive a fair and just amount of playing time.
- I will do my very best to listen and learn from my coaches.
- I will treat my coaches, other players, officials and fans with respect regardless of race, sex, creed, or abilities, and I will expect to be treated accordingly.
- I deserve to have fun during my sports experience and will alert parents or coaches if it stops being fun!
- I deserve to play in an environment that is free of drugs, tobacco, and alcohol and expect adults to refrain from their use at all youth sports events.
- I will encourage my parents to be involved with my team in some capacity because it’s important to me.
- I will do my very best in school.
- I will remember that sports are an opportunity to learn and have fun.
C. Corrective Action Policy

Players who fail to adhere to the Code of Conduct or do not live up to their responsibilities or expectations will be subject to disciplinary action. Gainesville Parks and Recreation does not want a problem child to spoil the experience of youth sports for the other children in the programs. Therefore, the City has instituted a Corrective Action Policy to establish appropriate consequences for inappropriate behavior.

The Corrective Action Policy is a guide to assist coaches and the City in operating a quality program. The Corrective Action Policy is a four-step system designed to forgive a mistake but to firmly address chronic misbehavior.

For violations of the Code of Conduct or Expectations, the following steps will be followed:

**Step 1 – Verbal Warning** – Coach will discuss undesirable conduct with player and parents and stress that this behavior will not be tolerated.

**Step 2 – Period Suspension** - Coach will bench the offending player for a specified period of time during a game when he/she should be playing. Coach will inform League Supervisor of the problem and why the child is sitting out.

**Step 3 – Game Suspension** - Coach will bench the offending player for 1 entire game when he/she should be playing. Coach will inform League Supervisor of the 3rd offense, at which time the player and the parent(s) must attend a meeting with the Coach and League Supervisor before the player is allowed to resume playing. The player will be warned that the next offense will result in his/her expulsion from the league.

**Step 4 – League Expulsion** - The participant on the 4th offense will be expelled from the league and no refund will be given. The parent will then have to make a formal request to be reinstated into this league. The child and parent(s) will then have to meet with the League Supervisor and the Recreation Division Manager prior to the start of the season to determine if the child is capable of playing within the guidelines of this program.

These guidelines are not absolute in dealing with behavioral problems. Severe situations could merit harsher sanctions against the participant.

VII. Parents/ Spectators

A. Responsibilities and Expectations

In order for a program to be truly successful, it takes the cooperation of everyone involved: players, coaches, officials, league administrators, spectators and especially parents. Parents and spectators have the following responsibilities and expectations when participating in Gainesville Parks and Recreation Athletic Programs:

1. **Parents have a responsibility to their children:**
   To make sure that your child gets the most out of his or her playing experience, parents should show their unwavering support, including positive reinforcement of your child’s performance and effort. This is absolutely essential, especially at an early age, to ensure their healthy
development. Parents should also be positive role models, including, but not limited to, showing proper sportsmanship at all times and refraining from negativity of any kind.

2. **Parents have a responsibility to the coaches:**
   Coach’s volunteer their personal time to spend it with your child. They need you to be supportive of their decisions and not undermine their efforts. If you don’t agree with a coach, you are expected to tell that coach, BUT make certain it is done at the right time and place and not in front of the children. Parents are also expected to drop off and pick up their children on time for games and practice, and it is highly encouraged for parents to stay and participate in order to maintain control of the group and to assist the coach as needed.

3. **Parents/Spectators have a responsibility to the league:**
   League administrators cannot be at all games and practices of all teams. Therefore, in order to maintain the protective shell around these programs, it is essential for parents/spectators to report abusive behavior or any other situation that needs to be addressed to the league administrator. This is the only way that these programs can achieve their intended goals.

4. **Parents/Spectators have a responsibility to other parents:**
   Personal gain and satisfaction should not be derived from a child’s performance. Competition and taunting between parents is never acceptable, and no parent/spectator should ever feel embarrassed or disappointed by their team or child’s performance. Good plays should always be cheered, and disappointments should always be consoled, no matter whose team it affects.

5. **Parents/Spectators have a responsibility to themselves:**
   It is your responsibility to enjoy watching your child and other children participate and learn. The joy and pride associated with watching children participate in sports should be experienced to the fullest, because a lifetime of memories is being created before your very eyes.

B. **Parent/Spectator Code of Ethics**

I hereby pledge to provide positive support, care, and encouragement for my child participating in youth sports by following this Parents’ Code of Ethics Pledge:

1. I will encourage good sportsmanship by demonstrating positive support for all players, coaches, and officials at every game, practice, or other youth sports event.

2. I will place the emotional and physical well being of my child ahead of a personal desire to win.

3. I will insist that my child play in a safe and healthy environment.

4. I will support coaches and officials working with my child, in order to encourage a positive and enjoyable experience for all.

5. I will demand a sports environment for my child that is free of drugs, tobacco, and alcohol and will refrain from their use at all youth sports events.

6. I will remember that the game is for youth – not adults.
7. I will do my very best to make youth sports fun for my child.

8. I will ask my child to treat other players, coaches, fans, and officials with respect regardless of race, sex, creed, ability or religion.

9. I will require that my child’s coach be trained in the responsibilities of being a youth sports coach and that the coach upholds the Coaches’ Code of Ethics.

10. I will read the Standards for Youth Sports and do what I can to help all youth sports organizations implement and enforce them.

C. Corrective Action Policy

Parents who do not follow the Code of Ethics will be subject to a Corrective Action Policy. It is the philosophy of Gainesville Parks and Recreation that parents should not spoil the experience of participation in youth sports for the children. Furthermore, the City will never punish a child for the actions of his or her parent(s). Therefore, the following guidelines have been established for addressing problem parents.

For violations of the Code of Ethics or Responsibilities and Expectations, the following steps will be followed:

**Step 1 – Verbal Warning** – League Administrator/Coach will discuss undesirable conduct with parents and stress that this behavior will not be tolerated. Coach will document this conversation and give to league administrator.

**Step 2 – Written Warning** - League Administrator, Coach or Official will notify the league of continued breach of Code of Ethics and league will bring parent(s) in for a meeting to discuss actions and what the proper behavior is. Furthermore, there will be a formal letter of reprimand given to parent(s) stating that the next offense will lead to parent being banned from the sporting event venue for a period of one game.

**Step 3 – Game Suspension** - League Administrator will ban the parent from attending the next scheduled contest and another letter will be given to parent(s) stating that the next offense will lead to parent being banned from all future contests.

**Step 4 – Season Suspension** - The parent(s) will be banned from attending all league contests after a 4th offense. The parent(s) will then have to make a formal request to be re-instated into this league. The parent(s) will then have to meet with the League Supervisor and the Recreation Division Manager prior to the start of the season to determine if the parent(s) is capable of behaving within the spirit and letter of the guidelines of this program.
These guidelines are not absolute in dealing with behavioral problems. Severe situations could merit harsher sanctions against the parent(s).

Please Remember

4. Umpires are Human!

VIII. Administrators and Officials

In order to do so, we must hold ourselves accountable by staying abreast on current topics and trends in the recreation industry. Training administrators and officials is essential in maintaining a level of professionalism and credibility in youth sports.

B. Administrators’ Code of Ethics

I hereby pledge to provide support to all youth sports programs in my community, to administer youth sports programs with professionalism and in the best interests of the children involved by following the Youth Sports Administrators’ Code of Ethics:

- I will ensure that I am knowledgeable in the area of youth sports administration.

• I will ensure that I am knowledgeable of the rules of each sport I officiate, and apply those rules fairly to all participants, teams and coaches.
• I will not allow personal friendships and associations to influence my decisions during a contest.
• I will refrain from the use of tobacco and alcohol products when in the youth sports environment.
• I will remember that youth sports are an opportunity for children to learn and have fun.
• I will place their safety above all else.
