

Dear Gainesville Resident,

The internationally accredited Gainesville Police Department is conducting a survey of citizens' attitudes and opinions in keeping with our commitment to correcting actions, practices and attitudes that may contribute to community tensions and grievances. It is extremely important that we establish feedback in these areas so that we can continually strive to provide professional delivery of police services to the City of Gainesville. We ask that you take a few moments of your time to answer the following questions and then return the survey by mail or fax **(770) 535-5620**. We will tabulate the results and publish this survey on the city website and TV 18, The Government Channel for Gainesville/Hall County.
